Introduction

Almighty Textiles is serving the textile procurement needs of textile importers worldwide. In doing so, it has gained the trust and respect of textile importers all over the world as a well reputed organization among the leading exporters of textile products from Pakistan.

Our Commercial production facilities include the whole manufacturing process starting from weaving to dyeing, bleaching, printing and stitching facilities.

Our client base includes the leading names in the world of textiles and we are proud to count many well known brands & Store Groups in our portfolio. We are exporting high quality and high volume products worldwide and pride ourselves on our quality systems which are fully compliant with ISO 9001 2008, OKO100, INTERTEK CERTIFIED GOODS worldwide standards. Most testing can be carried out in house and we are also utilizing Independent testing laboratories which are fully accredited.
